WELCOME

To the Windmill Tournament 2017!

This 13th edition of Windmill commemorates the birth of the greatest sport ever invented fifty years ago, back in the warm summer of '67. Back to the days of flower power, tie-dye and psychedelic mind enhancers, you dig? Welcome man, to Peace, Love and Windmill.

This booklet contains details about WHY we're so terribly excited to host you this weekend. First though, some highlights:

- Last year several games were live streamed on the main pitch. This year we've upped our live streaming game. This weekend, Fanseat will livestream every game on the main pitch. It's now nearly impossible to miss out on your one minute of fame. Don't forget to say hello to your mom from Herbie.
- Our homies from Five Ultimate are here again. And well, they will challenge you like you've never been challenged before. Say what? Game time, baby. Oh, and they will bring the usual swag, of course.
- Three dinner options per night -- smack-bang in the middle of Iggy Square where all the entertainment is happening. No more sprinting back to the fields, leaving half of your restaurant meal, because Mingle Mingle is about to start.
- You may well meet a team from Australia, Canada, USA, Israel, Uruguay, or Singapore. Eurovision has got nothing on Windmill.

And ermahgerd, that's just the tip of iceberg! If you have any problems understanding the exact size of Herbie's iceberg, don't hesitate to get in touch with us.

- In person, you can come to **headquarters at the Iggy**
- Email us at info@windmiltournament.com
- via Twitter [@windmiltourney](https://twitter.com/windmiltourney) using [#windmill2017](https://twitter.com/windmiltourney)
- or through [Facebook](https://www.facebook.com/WindmillUltimate) at www.facebook.com/WindmillUltimate

We wish you a fabulous weekend on behalf of the entire crew. HAPPY WINDMILLING!
Your tournament directors,
Brizia, Nena, Freddie and Koen

ACCOMODATION

Camping

Windmill has two campsites. The main campsite is for people who like short walks and suffer from terrible FOMO. This camping area is centrally located close to entertainment, food, and games. The silent campsite, located a little farther from the buzz, caters to people who like further walks and value their sleep. Please respect your fellow campers, especially if you set up camp on the silent campsite.

Be warned: it is not allowed to sleep in your car/camper van in the parking lot - this is illegal. Police have fined Windmill guests in the past. We have limited spots on the Windmill premises for camper vans (in which case sleeping in your van would fall under our permit) and will award these on a first-come-first-serve basis. Contact us at info@windmilltournament.com if you'd like to park your camper van on site.

Parking

You are welcome to park your car in the parking lot just outside of the tournament. It's free for everyone. We highly advise you not to leave valuables in your car. **Remember it's illegal to sleep in your car in the Netherlands.**

Security

We've hired security personnel in an attempt to keep you and your stuff safe. Still we urge you to not bring valuable items to the tournament. The Windmill organization cannot be held responsible for belongings that get lost or stolen. If you see a person or an elephant that should not be at Windmill, please inform us at the HQ in the Iggy. When you leave the premises, make sure you wear your Five Ultimate wristband (handed out to players and paying guests upon registration). You must show the wristband to the security folks to enter the premises again.

Visitors

Visitors who want to camp out and eat at Windmill should register as paying guests via info@windmilltournament.com. The ticket costs € 50 for the whole weekend and includes camping, breakfast and dinner on Fri & Sat. Day visitors don't have to pay. They can download a free ticket [from our website](#) to access the fields. Paying guests and day visitors should present their ticket at the gate. The purpose of the tickets is to keep out folks with bad intentions who might be attracted to a big event. Frisbee lovers are more than welcome!

Mobile Charging

If you need to charge your mobile phone during the weekend please bring it and your charger to the Charging Station in the Iggy to be (solar!) charged. Free of charge. Anything to enable you charge against your opponent in the next game.

Showers

Your team has ONE designated shower spot. This shower spot will be communicated to you in the map of the player's packs. Please only shower at your team's shower, or you'll leave your buddies with cold water.

GREEN WINDMILL

We try to make Windmill sustainable in several ways, because the environment is cool and needs saving. We always try to make sustainable choices for our organization wherever possible, selecting vendors and partners that take the environment into consideration. Here are some things you could help with:

Recycling

At Windmill we like to recycle. Over the years we've noticed that recycling can be challenging at a tournament. That's why we're trying a new strategy this year: single stream recycling. All junk can go in one bin. The recycling happens afterwards in the recycling plant. The only thing we have to collect separately is paper -- chuck that in the paper bins at Iggy Square. Furthermore, hold on to your beer glasses. There is a deposit on them.

Cutlery

Bring your own cutlery, cup and plate. You can clean them next to the Iggy, at the Disc-Wash-Street.

This year we do not provide throw-aways!

Green Battery

Your phone is dead? Solar-charge it at the Charging Station next to Token Sales. The power comes from our Green Battery which is solar powered! Also, you might notice the windmill-shaped solar panels near Iggy. The unit charges its battery during the day, so we can light the Iggy at night. Cool eh?

Carbon offset program

We've asked all teams to consider paying a green team fee, rather than the regular team fee. This money is used to offset the carbon footprint of all our combined travels to Amsterdam. Thanks to all teams who have chosen to pay the green fee. Windmill has covered the green fee for teams that did not pay the green fee.

THURSDAY & SATURDAY
20:00 - 23:00
ON THE IGGY SQUARE

RULES & FORMAT

*The new WFDF 2017 rules apply at this tournament. The mixed division applies the 4/3 gender ratio according to the "end zone decides" rule (WFDF rule A7.3). The scorekeepers have a copy of the rules. The WFDF 2017 Additional Championship Game and Event rules do NOT apply at Windmill. Instead the **Windmill Tournament Rules** apply (available on the website, at the Iggy, and with the scorekeepers). Below are the most important points.*

Swiss Draw

We use the Swiss Draw format during Windmill. First, 5 rounds of Swiss draw will be played to rank the teams. At the end of 5 rounds, the division splits into 1-8, 9-rest. The top 8 teams will go into a standard playoff bracket to play quarter finals, semi-finals and finals. The rest will continue with three more rounds of Swiss draw. For the way teams in the Swiss draw will be ranked, the point difference between the winning and losing team is the most important factor. **So even when your team is losing, keep trying to score as many points as you can!**

Game times

Open, Mixed & Ladies games are to 15 points within 90 minute time-slots. Five minutes before the end a time slot you will hear the 'time-is-over' jingle. Play out the current point, add 1 to the highest score with a maximum of 15 points. This will be the scoring cap. The first team to reach this score wins the match. All games have a two-minute mirror halftime at 8 points. Each team has 2 two-minute time-outs per game, which can be taken at any time before the 'time-is-over' jingle.

(Rules and Format is continued on next page)

Spirit

In your team package you will find spirit forms. If you lose your form or need extra, you can get a new one at the Iggy.

Trade your spirit scores for dinner tickets

Hand in the first spirit form in on Saturday between 12.00 and dinner and get your dinner tickets for Saturday evening in return. Hand in the remaining Saturday scores during or after dinner, and the final spirit scores before watching the finals.

At Windmill we take Spirit very seriously. Therefore we require all teams to have a spirit captain who is reachable during the tournament by our Spirit director. A game that involves a significant number of calls, especially when these remain disputed, should be brought to the attention of the Windmill organisation by a spirit captain as soon as possible. Windmill determines whether further action should be taken against teams or individuals. Please note that not taking spirit seriously will reduce your team's chances in getting a spot at Windmill in the future.

Score Reporting

At every field there will be scoring volunteers who keep track of the scores and directly upload them [to our scoring system](#). Additionally, we need the team captains to sign the scoring papers at the end of the match. In case you notice that there is anything wrong, please notify us immediately at the Iggy. **Scoring volunteers are not time keepers**. Both teams are responsible to keep the pull, time-outs and foul/violation resolving within a reasonable time limit.

For the full overview of Windmill Tournament Rules, please refer [to our website](#). A copy of these rules is available at HQ in the Iggy and with the scorekeepers.

FOOD & NOURISHMENT

Breakfast

Herbie can never choose what to eat for breakfast. So you can opt for a variety of spreads for bread, yoghurt, muesli, juice, coffee, and tea. Breakfast will be served Friday at 8:00 and on Saturday and Sunday at 7:00. **Don't forget to bring your plate!** And maybe tupperware if you wanna pack some lunch too.

Moyee Coffee

These cool guys were the first fair-chain coffee brewers on the block. For the third year in a row, **Moyee** is at Windmill to kickstart your day (or afternoon, there is no shame in that) with a magical caffeine concoction.

GET NOTICED

FANSEAT WILL BE
LIVE STREAMING ALL
STADIUM GAMES!

Lunch

The lunch options at Iggy Square are numerous and delicious: homemade sandwiches, delicious golden fries, hot dogs, Dim Sum, or hamburgers (only Sunday).

Dim Sum

The Baristocrats went headfirst in their Dim Sum adventure and will be around all weekend. They serve vegan gyoza Dim Sum. Healthy, steamed goods straight from China. From their Chinese castle these inhabitants from the far east will get you your delicious dumplings.

Burgers on Sunday

Peter Pan will be serving delicious burgers during the finals on Sunday. So grab a burger, a beer and relax with your teammates in the stadium to watch the finals and heckle your lungs out.

Dinner

One of the few things in life that scare Herbie is a hangry frisbee player. We realize that you need to eat well and quickly after a full day of playing. That is why we are repeating the market place formula at Iggy Square. On both Friday and Saturday, you can choose from three dinner options (Mexican, Italian and Indian), served from several market stalls to minimize queueing. It doesn't matter if you are a vegetarian, vegan or carnivore, because we serve it all! The meals are prepared by our friends from **Peter Pan**. These guys have two years of Windmill experience under their belt. They pump out delicious meals with surprising speed and do it with a smile on their faces. Dinner will be served from 18:00 at Iggy Square on Friday and 18:30 on Saturday.

Don't forget your food ticket and your plate!

Dinner on Thursday night is not included in the player's fee. There will be limited food options available which can be purchased with tokens.

ENTERTAINMENT HIGHLIGHTS

Thursday

It is Windmill Thursday. So many options to spend it. Grab a beer, find your teammates, hit on that good looking Danish girl or Irish guy, meet up with your friends from all over Europe (and far beyond), explore Iggy Square for all the good stuff we've got set up for you. Whatever you do, these are some time-specific things you may want to pencil in:

Karaoke, 20:00 - 23:00 in the Karaoke Container

Do you secretly have a great singing voice? Come to the Karaoke Container! Or perhaps you have a trauma because you auditioned for your high school musical and got booed off stage? Come to the Karaoke Container! It doesn't matter at Windmill.

Opening Ceremony, 21:30 - 22:00 in the Iggy

Herbie's big kick-off of the tournament, be there or FOMO forever.

Bonfire Sounds, 22:00 - 01:00 on the Iggy Square

Casual jamming around the fire. No need to be part of the Von Trapp family singers. No guitar? That's okay, it will be there waiting for you. And if you randomly packed your pan flute or harp, by all means, bring it to the jam session.

Friday

Breakfast Sounds, 8:30 - 9:00 in the Iggy

We find that waking up slowly to the sound of angelic voices, while your teammate attempts to stuff some breakfast in your half-open mouth, is definitely the best way to get ready for a frisbee game. Friday morning features The Full House Vocal Group. This enchanting 5-piece close harmony group from Utrecht combines the best things of jazz, soul and groove.

Alright, now fast forward to post-ultimate time. Quickly get food, grab a beer, shower (shower beer is advisable to maximize efficiency and pleasure), for the evening entertainment program:

Pull Competition, 20:00 - 21:00 at Field 5

The concept is simple. Pull as far as you can. It is a contest. Friday is the first round. You may accidentally qualify for the finals on Sunday in the stadium.

Beer Race, 21:00 - 21:30 on the Iggy Square

The beer race is a Windmill classic. It always involves beer and heckling, but the other factors of this fierce competition remain a surprise until the last moment. Will there be bikes, strange props, chocolate milk, stroopwafels, obstacles, crawling, bricks...? Herbie cannot disclose this information at this point. Sign up at HQ in Iggy.

Mingle Mingle, 22:00 - 22:30 on the Iggy Square

The other day Herbie was at a tournament where people tried to explain Mingle Mingle to him. That's funny because, Herbie IS Mingle Mingle. And Mingle Mingle IS Herbie. Another Windmill classic. And a must-do for Windmill virgins.

Bonfire Sounds, 22:30 - 01:00 on the Iggy Square

Find the campfire, sit back and enjoy the tunes or sing your own song. Bring your own instrument or play the ones Herbie has provided.

Saturday

Good morning. We hope you had a good night's sleep. Or fun. Or both. You may not remember what day is it. It is Windmill Saturday. Aaaand your game start in 10 minutes. That means you have 10 minutes to check out today's entertainment:

Breakfast Sounds, 7:00 - 8:45 in the Iggy

This morning we are treating you to two different gigs (continued on the following page).

7:00-8:00 Dianne Verdonk & The Bellyhorn

Dianne Verdonk is a performer, composer and instrument developer. The Bellyhorn is the second instrument she has created to explore performance contexts with a prominent role for visual and physical interaction with the instruments. Electroacoustic music with a twist.

(continued on next page)

Breakfast Sounds (continued)

8:00-8:45 Florian Wolff

Florian Wolff wants to leave the world two things: a huge catalog of beautiful songs and ... nothing. Because, despite his rather large shoe size, Florian is aiming for the lowest possible footprint. He has become famous for being the first artist in the world to give concerts with his own mobile stage that works on solar, wind and human energy. His music is warm, friendly and optimistic. Like a teddy bear with a one day old beard. An oak table smeared with coffee stains.

Yoga, 8:00 - 8:30 and 9:00 - 9:30 at Warmup Field A

After playing all Friday and sitting around the campfire until the early morning, your body may feel a little stiff. Join either of the two yoga session and revitalise before your first game.

After dinner it is time to get your party on. And the best part is: it doesn't matter what you do tonight, you will end up in Heaven.

The Capsones, 21:30 - 23:00 in Heaven

If you're talking about young dogs... These puppies from Utrecht bite before they bark. The members met at the recording studios as students of the Dutch Pop Academy. They share a love of bold Rock 'n Roll (bands like The Kinks or The Strokes). Their performance is likely to make you go, "Oh Shit!"

DJ Elwin, 23:00 - 01:00 in Heaven

Many months ago, when the Windmill crew 2017 was just getting together and shyly looking at each other from across the dance floor at a Windmill crew party, DJ Elwin rocked up and turned even the most timid crew members into ragging dance machines. We figure that if The Capsones didn't get to you, DJ Elwin will.

Bang 'n Mash, 01:00 - 03:00 in Heaven

The boys from Bang 'n Mash have blown up many a Windmill. It is hard to leave the dancefloor while they are playing. So you might as well embrace the fact and party your heart out. There is no better way to end the night than with a whole lot of BANG.

Sunday

Man, how did Sunday morning get here so soon? Hang on there, don't get sad yet, turn that frown upside down because we have one last day to spend together.

Breakfast Sounds, 7:00 - 9:00 in the Iggy

Sunday morning features a collaboration of two artists. Jasper Schalks is a singer-songwriter and multi-instrumentalist from Amsterdam. His music is best described as Americana in its purest form. Since he started performing with his own songs in 2013, he has won several competitions including the final of the Amsterdam pop song competition 2016. On stage with him will be Demi Knight. She plays country and Americana, with a fresh touch. The ball started rolling Demi after her participation in the Dutch TV-show "Best Singer/Songwriter of NL."

Yoga, 8:00 - 8:30 and 9:00 - 9:30 at Warmup Field A

Two days of playing are behind you. Some yoga might do you good.

Finals Shenanigans - all day in the Stadium

You may see an elephant on a bakfiets. Try and hit it with a disc for eternal fame. Or watch the Pull Competition Finals in awe. Half time is at least as much fun as the many sweet plays you get to see during the three finals.

Prize Ceremony, 17:30 - 18:00 in the Stadium
